

December 2014

Season's Greetings Friends of Freedom Ministries,

We, the Board of Freedom Ministries, would like to extend our gratitude for your prayers and financial support of Wayne and Jeanine. As you know they give many hours to helping individuals and couples come to spiritual and emotional freedom through Biblical and Spirit led counsel. Through the year they are also involved in teaching others outside the office through training seminars, guest teaching at area churches, and conferences. This has been extended to other states, even other countries. They also have a web site and Wayne has a weekly blog that reaches out to many others with spiritual and emotional truths.

We, the Board, are privileged to work closely with Wayne and Jeanine. We see their passion and dedication first to God and then to hurting people. We also see that they are very conscientious with the gifts of money they receive. They first pay bills and then themselves, sometimes sacrificing a full paycheck so they can pay a bill. They truly rely on the Lord to provide their every need and they remain faithful and sweet spirited.

As we celebrate the greatest gift, the birth of our Savior Jesus Christ, we ask that you will continue to support Freedom Ministries with your prayers and a special donation.

We praise God who supplies our every need and thank you for your encouraging support.

God's blessings upon you from the FMQC Board,
